

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: April 4, 1996

SUBJECT: **HB 3287**

This bill, if enacted, will allow Federal troops or National Guard forces to have the right-of-way on any street or highway and to be exempt from any regulations or limitations such as weight, height or width restrictions. Such forces cannot interfere with the U.S. mail and police or fire departments.

The fiscal impact from this bill is estimated to increase state expenditures from the Highway Fund to repair damage to bridges and highways from overweight and oversized vehicles not otherwise allowed by law. The amount of the increase cannot be determined but is estimated to exceed \$100,000.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
